Oxford Newsletter

Spring Edition

April 2005

Water/Sewer Rates Increase - PLEASE READ

Water/Sewer Changes Begin this Quarter

Over the course of two years, the Commissioners, along with Town Staff, have worked with the Maryland Center of Environmental Training in studying Oxford's water/sewer rates. One of the main problems that Oxford is faced with is the amount of increased "part-time" water/sewer users. The part-time user places a financial burden on the town's Enterprise Fund which is totally supported by water/sewer rates. The Enterprise Fund must be able to bear all cost associated with the water and wastewater operations, plants upgrade, chemicals, salaries, state requirements for water and discharge, etc. If only a portion of all the residents who own property here are using the water/wastewater system, then not enough money is being generated to support it. We have resisted any substantial rate increase for a number of years but the Enterprise Fund is now operating in the red. The new rates will affect all users but will fairly distribute the cost to part-time users.

You will also notice on your water/sewer bill an additional fee of \$7.50. This represents the quarterly Bay Restoration Fee that is being charged to all users at a rate of \$2.50 a month. On May 26, 2004, Governor Ehrlich signed into law Senate Bill 320 (the "flush tax") that established the Bay Restoration Fund. This legislation requires owners of wastewater treatment plants to collect a \$2.50 monthly fee per equivalent dwelling unit from their

users, effective January 1, 2005. This money will be used to improve the 66 largest plants in Maryland (those which discharge over 500,000 gallons per day; we discharge 120,000 gallons per day) to help clean up the Bay. Calculations for non-residential and multi-residential users is calculated using equivalent dwelling units (EDU). For example:

A 90 day billing using 30,000 gallons:

$90 \div 30000 = 333$ use per day

$333 \div 250$ (EDU per day) = 1.34 EDU

7.50 base charge for 90 days Bay Restoration
Fee x 1.34 (EDU) = \$10.05 charge for 90 days

Every account will receive a minimum charge of \$7.50 per quarter for the Bay Restoration Fee.

We have done a comparison of the residential rates of the other neighboring towns of Trappe, St. Michaels, and Easton based on a quarter's usage. A residential customer using 117000 gallons in Oxford will be billed \$163.00, which includes the Bay Restoration Fee. Trappe's billing for the same amount of usage would be \$178.77, St. Michaels \$169.32, and Easton \$94.50. Easton's bill is lower since there is a larger number of users compared to Trappe and St. Michaels.

In order to better grasp just how your water/sewer bill has changed, we have printed out the new rates as follows, based on per quarter rates:

Residential Fixed Water	\$ 15.00
Residential Fixed Sewer	\$ 25.00
First 9000 Gallons Usage	\$100.00
First 1000 Gallons over 9000 Water	\$ 2.00
First 1000 Gallons over 9000 Sewer	\$ 3.74

Bay Restoration Fee	\$ 7.50
---------------------	---------

Vacant Lot - Per Quarter

Fixed Water	\$ 11.00
Fixed Sewer	\$ 15.00

Residential Water Only Account - Per Qtr.

Fixed Water	\$ 15.00
First 9000 Gallons	\$ 50.00
Per 1000 Gallons over 9000	\$ 2.00

Commercial Water and Sewer - Per Qtr.

Fixed Water	\$ 21.00
Fixed Sewer	\$ 31.00
First 9000 Gallons	\$ 100.00
Per 1000 Gallons over 9000 Water	\$ 2.00
Per 1000 Gallons over 9000 Sewer	\$ 3.74
Bay Restoration Fee	\$ 7.50

Commercial Water Only - Per Qtr.

Fixed Water	\$ 21.00
First 9000 Gallons	\$ 50.00
Per 1000 Gallons over 9000	\$ 2.00

Commercial Sewer Only - Per Qtr.

Fixed Sewer	\$ 31.00
First 9000 Gallons	\$ 50.00
Per 1000 Gallons over 9000	\$ 3.74
Bay Restoration Fee	\$ 7.50

Note: The first 9000 gallon charge is a service availability charge which applies even if there is a "0" usage.

Oxford Day Is On Its Way

On Saturday, April 23, Oxford will celebrate its 11th annual Oxford Day. All of the organizations and businesses in town have worked hard preparing for the event so invite friends and family and plan on staying home that day, no yard work, no errands, just walk around and relax all day!

This year we plan better traffic control for the 10K race and the parade, in fact, we have called in

the National Guard! If you have Saturday morning appointments please allow extra travel time in and out of town, and yield to the runners, walkers, and dogs. This is only a once a year "inconvenience" and it is for a very good cause.

For the parade ***Morris Street will be closed to ALL traffic at 11:00 a.m.*** and will not reopen until the end of the parade at approximately NOON. At this printing the parade route will once again begin at the Strand and end after turning onto E. Pier Street near J.L. Thompson Drive. Traffic into town will be blocked from Bonfield Road to the Ferry Dock. Side streets feeding into these streets will also be blocked. We have had 2 minor traffic accidents in the past and must be more diligent of the safety for all race and parade participants. It looks like we will have a record number of floats in the parade this year, as well as marchers, children on bikes, various types of motor vehicles, and a marching band. If you would like to participate in the parade, please call us as soon as possible.

We are looking for some good natured volunteers to help with the last minute details. Please contact us if you have time to do any of the following:

- * Fill balloon at OBY prior to the parade
- * Pass out filled balloons to parade participants
- * Fill balloons at Town Park during family hour
- * Distribute flyers and maps the day before
- * Place yellow bows along parade route on Friday morning

The schedule of events as of 3/31/05 is on page 4 of this newsletter. If your activity is not listed or you have any questions, please contact Sue Schmitt 410-226-0069 or Katie Schroeder 410-226-5581, this years co-chairs.

Dogs Continue to Wreck Havoc in Town

Again, we are asking that our community of dog owners keep their pets on a leash at all times. Anyone who has been approached by a loose dog

while trying to walk their own on a leash knows how frustrating, annoying, and, at times, frightening the whole ordeal can be. Complaints have been received in the town office of dogs running loose throughout town and pet owners will be issued fines if their dog or dogs are caught and taken up to the Humane Society.

Also, please remember that it is a town ordinance that no pet owner or custodian of any animal shall cause or permit such animal to deposit waste upon public property, or upon any property not owned or leased by the pet owners, unless such owner or custodian immediately collects the waste by placing such waste in a paper or plastic bag, or other appropriate container; and removes and disposes the waste in a manner otherwise permitted by law.

Any person who violates this ordinance shall be guilty of a municipal infraction and notwithstanding any other regulation to the contrary, shall be subject to a fine of \$20 for each offense.

Recycling Area Suffers From Misuse

The area next to the town tennis court/basketball area houses the town's recycling area. The bins are clearly marked as to what goes inside each one of them. If the bins are full to the brim, **HOLD ON TO YOUR RECYCLABLES FOR A COUPLE OF DAYS UNTIL THE BINS ARE EMPTIED.** Please do not pile up your recyclables next to the bins if they are full, otherwise the obvious is going to happen – **Trash All Over the Place.**

Now about those cardboard recyclable bins. They only hold corrugated cardboard. Corrugated cardboard has ridges in it. **ITS NOT FLAT LIKE THAT OF A SIXPACK SODA CONTAINER OR CEREAL BOX OR ANY GIFT BOX.** Those type of boxes won't be collected.

Also, please remember to **FLATTEN** your boxes before putting them in the bins. Its not that hard to do. And if the bins are full of cardboard,

just wait a couple of days and bring your flattened cardboard back another day.

We need to work together on this as a team to keep our town looking nice. Really, it is not that hard if we can work together.

Sign-up For Commissioner Now!

Election time is almost here for the position of Commissioner. Any person who can qualify as a voter in the town of Oxford may register in the town office for the position of Commissioner on any day that it is open for business. However, all registrations for the next election on June 21, 2005 must be made no later than four (4) weeks prior to the date of the election, which, in this case, would be May 23, 2005. Don't delay, register today!

Internet DSL Rates Go Down!

At a recent town meeting with the Commissioners, Hugh Gruden, CEO of Easton Utilities, reported that Oxford has responded well to Easton Online's high speed internet service and that there are now around seventy subscribers. Mr. Gruden was pleased to announce that due to the response, Easton Online is able to offer a price reduction for users. Beginning in February, subscribers saw a 25% reduction for the typical user in the monthly charge, resulting in a \$20 per month reductions. Mr. Gruden further stated that as more subscribers come on line it is hoped that the rates will be further reduced.

Town of Oxford Website Up and Running

Please check out the new and improved Town of Oxford's website at www.oxfordmd.gov. It is now possible to download the Oxford Zoning Ordinance, read the minutes of the various boards, look at up-coming agendas, and check out the calendar for the dates and times of the various scheduled meetings.

Hooray, Hooray, Spring Is On Its Way!

The History and Mission of THE OXFORD MUSEUM

The Oxford Museum began in 1964 with the finding of 18th and 19th century bottles and pottery shards. From these first artifacts has evolved a rare mosaic depicting Oxford's past. As such, the museum has become a valuable part of the understanding the history of Oxford. Its exhibits are exclusively devoted to its people, their way of life, and their contribution to our country since the 1600s.

The Mission of The Oxford Museum is:

To collect, preserve, and exhibit data and objects of historical interest relating or pertaining to the lives, habits and customs of the people who lived in or had any part in building and developing the Town of Oxford and outlying areas.

To operate The Oxford Museum which offers the public the opportunity to learn about the history of the town and the vital role it played in the history of the state and the nation.

To sponsor programs, tours, and other presentations that promote the history and heritage of the area.

To sponsor research, disseminate and make available achived information about the history of Oxford and/or the people who lived there through publications, exhibits, and various programs.

Many local families have been generous in sharing their family treasures for all to see and learn more about our rich past. The Oxford Museum is now becoming a special destination for school groups, tourist buses, research teams, and families anxious for enriched outings together in a special setting like Oxford.

If you would like to be a part of The Oxford Museum, click [here](#) to print out a MEMBERSHIP INFORMATION FORM. Memberships begin at \$20 for individuals and \$35 for couples.

EXHIBIT 9

OXFORD COMMUNITY CENTER

WHERE ARE WE

Oxford Community Center (OCC) is located in the lovely waterside village of Oxford on Maryland's Eastern Shore. OCC is housed in a carefully restored old school building at the entrance to the historic district.

Oxford Community Center is a privately funded non-profit organization whose facilities are used and programs designed for the entertainment and education of the entire Oxford community and surrounding area.

WHO ARE WE

Meeting this objective requires community participation, that is what makes the difference at OCC. All of OCC's many events and programs represent the ideas and enthusiasm of the Center's volunteers and supporters.

OUR FACILITIES

Oxford Community Center contains a large auditorium-theater facility, several meeting rooms, and a commercial-grade kitchen.

The facilities are used for OCC's own programs and events, and can be rented for a wide variety of private functions--anniversaries, reunions, theatrical events, educational programs, meetings, and much more.

OCC is the home of several other organizations, including Tred Avon Players, a very popular community theatre group who produce four plays a year at the Center.

You can write, call, fax or e-mail us at:

TRED AVON PLAYERS

The Tred Avon Players, Inc. ("TAP") is a non-profit Maryland corporation, organized in 1982 to present plays and musicals in the then newly-renovated Oxford Community Center ("OCC"), an abandoned school building which was saved from the wrecking ball by a group of public spirited citizens. Since the first sold-out melodramas in August of 1982, TAP has grown in community stature and artistic merit to present four (sometimes five) plays and musicals each year for ever-growing numbers of residents on and visitors to the most livable town on the Eastern Shore.

TAP's mission statement is simple: To motivate and train local volunteers in all the theatrical arts and to present the best possible production of a wide variety of enjoyable shows.

Although a surprising number of our on-stage volunteers have professional training and experience, each one is a true amateur – a lover of the stage!

On Stage Next...

"Fuddy Mears"

by David Lindsay-Abaire

Directed by Fiona Foster

A Zany, Dark, Engagingly-Sweet Comedy

A zany comedy featuring a wacky cast of characters you will never forget. Claire, an amnesiac housewife, is kidnapped by a man with a limp, a lisp and a missing ear, who may or may not be her brother. His accomplice is a ventriloquist with a very profane dummy. Claire's nervous husband tries to rescue her, with no help from their very troubled teen-age son. A lady cop with attitude joins the hunt that ends up in home of Gertie, Clair's mother, who has suffered a stroke-induced speech impediment. The

thickening plot swirls with hilarious and fast-moving misdirection. Adults and teenagers will love this modern farce but the occasional profanity and outrageous plot are probably not for pre-teens.

The cast includes some of TAP's and the area's favorite actors, including Leigh Marquess (remember her as "Sylvia"), Peggy Driggs, Tony Gioia, Charley Baker, Anna Kusinitz and Bob Dietz. Matt Sewell, a newcomer from Easton High School, is a riot as the teenager.

Tickets: Adults \$10, Students (through college with ID) \$5, Dinner Theatre \$40.

Don't forget: Complimentary Champagne and light snacks on Opening Night, May 6.

Performance Dates

Friday & Saturday Evenings at 8 pm, May 6, 13, 14, 20 & 21

Enjoy....

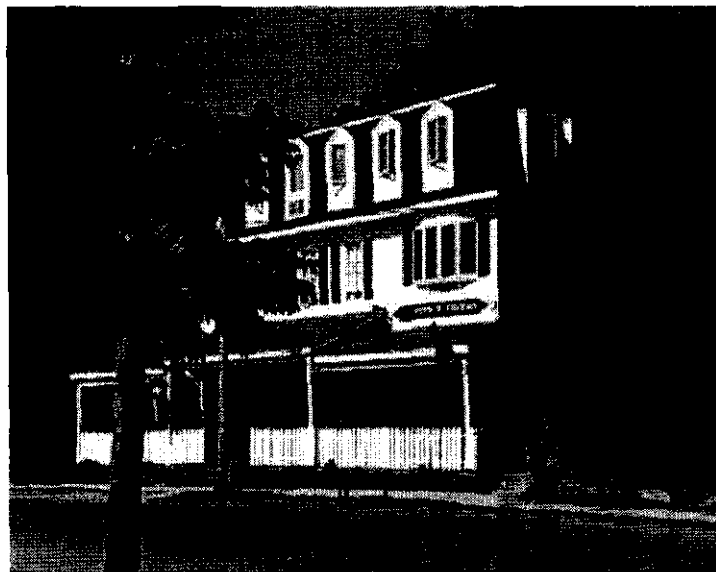

...the peaceful comfort and grace of the Inn's quaint,
beautifully decorated rooms.

...air-conditioned comfort in summer and cozy warmth
when the cold winds blow

...traditional Eastern Shore ambiance coupled with modern
comforts.

The circa 1900 Oxford Inn, facing east to greet each day's dawn, is located at the head of Town Creek in Oxford's Historic District. Your stroll from the Inn to the Oxford - Bellevue Ferry Landing takes you down one of the oldest streets in America.

The Inn's seven rooms have provided a respite for Oxford loving guests for over ten years, although the "Oxford Inn" itself has been in operation for more than twenty years. We are currently being featured by the travel channel as one of thirty romantic inns across the country. We were listed as one of the most accommodating inns on the Eastern shore by the Philadelphia Inquirer and are featured in their travel section in syndication throughout the country. The Oxford Inn is also recommended by Frommer's, Fodor's, and Brenda Chapin's "Recommended Country Inns" to name a few. Although we are proud of these accolades, our most cherished compliments come from the guests who consider the Oxford Inn their home away from home and have truly become our friends.

Oxford is a great destination and the perfect sight for a family reunion or small business conference.

The Robert Morris Inn offers charming waterfront lodging and private porches in a picture-perfect setting. The location of this historic inn-on a point with sweeping water views all around-is ideal for enjoying the sunset over the Chesapeake Bay. Stroll through our delightful town of Oxford, Maryland, an authentic Eastern Shore village, with the riches of the Chesapeake Bay playing a large part in both its history and everyday life.

Historic Main Inn 1710

Close to other Eastern Shore attractions-

Robert Morris Inn Dining Room

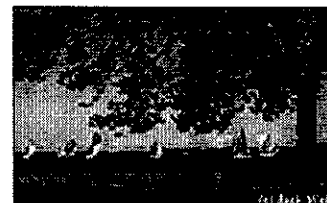

just 6 miles from St. Michaels, 10 miles from Easton and Cambridge, and 20 miles from Tilghman Island-the inn is a peaceful and comfortable base from which to explore Maryland's Eastern Shore. Relax under towering trees in one of our Adirondack chairs or spend a romantic evening sitting on our sandy beach, watching the colorful sailboats return from the beautiful Chesapeake Bay to anchor in our protected harbor for the night. Enjoy a candlelit dinner in our acclaimed restaurant, featuring the best crab cakes on the Eastern Shore, according to James Michener, author of "Chesapeake". We are members of Select Registry, a collection of some of the finest inns and bed and breakfasts in North America.

Relaxation Awaits You On The Eastern Shore

A getaway to the Robert Morris Inn offers guests the charm and hospitality of a bed and breakfast, the setting of a classic waterfront estate, and the cuisine of a fine country inn. The inn is also available for business meetings and other group functions.
